

# Public Hearing

## Your Input Is Needed On Interstate 10 Corridor Study, Junction Interstate 8 to Tangerine Road Design Concept Report and Environmental Assessment

The Arizona Department of Transportation and Federal Highway Administration invite the general public to attend any one of three public hearings to be held during the last week of September for the I-10 Corridor Study, Junction I-8 to Tangerine Road project. The initial Design Concept Report and draft Environmental Assessment, with recommended alternatives, will be presented for public comment at the hearings.

Each hearing will be held from 5 to 7 p.m., be identical in content and include a presentation and formal comment session beginning at 5:30 p.m. Maps and displays will be available for viewing. ADOT representatives and the study team will be available to address concerns and answer questions. ADOT will receive public comment by written comment form, by spoken comment at the formal comment session or by spoken comment given to the court reporter who will be present at the meeting.
